

## **Cumbria County Archery Association Criteria for Setting County Records**

- Eligible rounds for senior and junior archers correspond to those set out in the GNAS hand book
- It is possible to set a county record at either a competition or at a club target day.
  - When shooting at a club target day, it must be under GNAS rules of shooting. For example, the correct number of arrows per end and within the appropriate time permitted etc.
  - Scores for both junior and senior archers shooting at a club target day must be witnessed by another senior archer, if possible by a club committee member or coach.
- Other than for county competitions it is the archers responsibility to submit the score for consideration to the county records officer.
  - Please return the claim form along with proof of score
  - For scores shot at competitions a copy of the results sheet will be sufficient
  - For scores shot at club target days a copy of the score sheet, which has been signed by the witness must be provided.
- The results of county competitions will be provided to the county records officer by the competition organiser.
- All archers setting new county records will receive a certificate. If possible these will be presented at the next available competition, club awards day or sent by post to the receiver.
- All claims should be sent to:
